Personal summary

I have very good social and communicative skills. I am resourceful, able to adapt to and work in various environments. I am a team player, ready to cooperate, provide help and receive advice from colleagues and associates. Furthermore, I have been working as a chef for fourteen years and I want to try my hand at programming. By creating several websites, I discovered an interest in greater achievements in the mentioned field. I have a great will to learn and space to improve and expand my own boundaries of knowledge and skills. I am a responsible, ambitious worker with well gained work habits.
